LIVE YOUR DREAMS

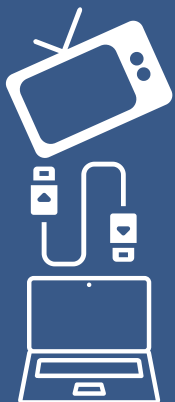

# NCORE DANCE PARTY

A Connection 2020 Event

Tips to transform your space into the club of your dreams.

Bring a friend. It's an all ages party.

Try apple airplay or a USB connection to your TV. It makes everyone bigger and creates more of a party atmosphere.

Set the tone. Dim the lights, use candles and holiday lights.

This event includes music and flashing lights, images, or video. Participants with sensory issues should plan attendance accordingly.
