The United States Coast Guard Academy (New London, CT) is seeking applications for the position of Dean of Academics. Responsible for developing and overseeing academic programs that have earned the United States Coast Guard Academy the reputation as one of the best and most competitive institutions of higher learning in the U.S. The Dean of Academics will provide strong leadership by guiding faculty, Cadets, and other staff toward achieving the primary goal of educating and graduating the finest leaders of character who will serve as officers in the U.S. Coast Guard. As the Academy’s chief academic officer, the Dean of Academics is responsible for representing and addressing the concerns of the Academic Division across the institution and ensuring that academic policies and decisions are made in the interest of shaping the intellect of Cadets and their growth as military leaders. In addition, the Dean is a member of the senior leadership team that establish the Academy’s planning, policy and budgeting priorities.

Required Qualifications:

- PhD or equivalent terminal degree in Engineering, Marine Science, Environmental Science, Mathematics, Operations Research, Computer Analysis, Government, Law, Management, Business or related field from a university accredited by a regional or national institutional accrediting agency recognized by the United States Secretary of Education.
- Minimum of five years teaching as a full or associate professor at a university or college accredited by a regional or national institutional accrediting agency recognized by the United States Secretary of Education.
- Minimum of two years of experience in academic administration serving as a Department Head or Chair, Assistant Dean, Associate Dean, Dean, Provost, or Vice President or related positions, which includes working on budget, hiring, promotion, tenure and curricula decisions at a university or college accredited by a regional or national institutional accrediting agency recognized by the United States Secretary of Education.

About The United States Coast Guard Academy
The U.S. Coast Guard Academy is a highly selective federal military college providing a rigorous undergraduate program. In addition, the Coast Guard Academy provides the professional education and training required to prepare young women and men for careers as commissioned officers in the U.S. Coast Guard, the nation’s oldest continuous sea-going service, which is well-known for its humanitarian missions.

The Academy offers B.S. degrees in eight academic majors: Naval Architecture-Marine Engineering, Electrical Engineering, Civil Engineering, Mechanical Engineering, Marine-Environmental Sciences, Operations Research-Computer Analysis, Management, and Government; the Academy is staffed with over 100 full-time civilian and military faculty. The attractive riverside campus is home to a nationally representative and diverse student body of about 1,000. The Academy is located near the shoreline of southeastern Connecticut, midway between New York and Boston, and is within commuting range of regional as well as other national colleges and universities in the CT/RI/MA tri-state area.
